Mailing Address: _____
(if different)

_____ Zip Code _____

Home Phone #: _____

Cell Phone #: _____

Place of Work: _____

Work Phone #: _____

Email address: _____ (please print very neatly)

Registration Information

Here at Begonia’s Summer Science Camp, we are very flexible with a number of the logistics associated with our programs, especially with one of the major parental concerns, pick up and drop off times to accommodate parent work schedules in the summer. Many times when choosing a summer camp, your schedule dictates whether or not your child can attend. We do not want that to be the deciding factor in your camping decision. Student profiles of all registered campers are created based on where all the kids that are enrolled for that weekly session are coming from. Our normal pick-up and drop-off location is the Back Cove parking lot off of Preble Street in Portland(Directly adjacent to the Hannaford’s supermarket next to the lacrosse & soccer field). If that doesn’t work for you, let us know what will, and we will do our very best to make it happen.

When registering for “[Beachcombing, Tidepooling & Marine Biology](#)”, place a 1-3 next to each available weekly option(1 being your 1st week of preference, 3 being the last). Your child’s profile will be matched with others of similar age and weeks of preference & interest to establish that week’s camp group.

<u>Available Week-Long Sessions</u>	<u>(M-F)Available Weeks</u>	<u>Preference(1-3)</u>
Beachcombing, Tidepooling & Marine Biology	July 19 th -July 23 rd	_____
Beachcombing, Tidepooling & Marine Biology	August 2 nd -August 6 th	_____
Beachcombing, Tidepooling & Marine Biology	August 16 th -August 20 th	_____

When registering for “[Pond Ecology & Entomology](#)”, place a 1-3 next to each available week(1 being your 1st week of preference, 3 being the last). Your child’s profile will be matched with others of similar age and weeks of preference & interest to establish that week’s camp group.

<u>Available Week-Long Sessions</u>	<u>(M-F)Available Weeks</u>	<u>Preference(1-4)</u>
Entomology(Insect Collecting & Pinning) & Pond Ecology(Amphibians, Reptiles, Fish, etc.)	June 21 st -June 25 th	_____
